Tamil Nadu Pollution Control Board

Notice

Date: 10-11-2025

TNPCB hereby issues the following instructions regarding Online Continuous Effluent/Emission Monitoring Systems (OCEMS) connectivity:

1. As per the notice issued by CPCB dt 07.10.2025, all industries in Tamil Nadu that have registered on CPCB's old OCEMS portal shall register on their new OCEMS portal by 15th November, 2025 for transmitting OCEMS data to CPCB. CPCB's new OCEMS portal can be accessed at <https://cems.cpcb.gov.in>.
2. Industries shall strictly adhere to the guidelines/directions for OCEMS issued by CPCB from time to time, including transmission of OCEMS data to CPCB/TNPCB.
3. All 17 category industries, CETPs, local body STPs and common facilities in Tamil Nadu shall switchover to the new OCEMS portal of TNPCB by 15.12.2025.
4. TNPCB has not authorized/empanelled any specific IoT/Data logger manufacturer/manufacturers/service provider/supplier for OCEMS connectivity to TNPCB.
5. OCEMS data to CPCB's new OCEMS Portal & TNPCB's new OCEMS portal is to be pushed through CPCB API & TNPCB API respectively.

Chairperson
